

## **Important Notice Regarding COVID-19 and Travel Insurance Purchased from BMO**

Travel insurance is intended to cover losses arising from sudden, unforeseeable and unexpected circumstances. Any claims resulting from events known to you when purchasing your insurance or departing on your trip are not covered.

**Important Notice: Due to the ongoing COVID-19 pandemic, the Government of Canada may issue travel advisories to avoid non-essential travel or all travel outside of Canada due to COVID-19. These advisories may be issued for all international travel, for specific destinations or for certain types of travel (i.e. cruises). Travel advisories are subject to change and may be issued, lifted, and then reinstated depending on the status of COVID-19 infection rates in Canada and abroad. To keep up to date on travel advisories specific to your destination, please visit the Government of Canada [website](#).**

**What does this mean for your BMO Certificate of Insurance?**

### **Out-Of-Province/Country Emergency Medical Insurance Benefits (if purchased)**

#### **What is covered**

Your medical expenses related to COVID-19 are eligible if you get sick with COVID-19 while on your trip, as long as there is no COVID-19 related travel advisory to avoid non-essential or all travel in effect for your destination or type of travel (i.e. cruises) on the effective date of your coverage.

#### **What is not covered**

Your medical expenses related to COVID-19 are not eligible if you get sick with COVID-19 while on your trip, if a COVID-19 related travel advisory to avoid non-essential or all travel is in effect for your destination or type of travel (i.e. cruises) on the effective date of your coverage.

### **Trip Cancellation Insurance Benefits (if purchased)**

#### **What is covered**

You are eligible for Trip Cancellation benefits if you contract COVID-19 in Canada after you purchase your Certificate of Insurance and need to cancel your trip as a result.

#### **What is not covered**

COVID-19 (and any related travel advisories) is now considered a known event. Therefore, Trip Cancellation benefits are not payable if the Government of Canada reinstates a travel advisory related to COVID-19 for your destination, or type of travel (i.e. cruises), advising against non-essential or all travel and you wish to cancel your trip as a result. This applies even if you are travelling for essential reasons and even if your Certificate of Insurance was purchased prior to the reinstatement of a COVID-19 travel advisory.

## **Trip Interruption Insurance Benefits (if purchased)**

### **What is covered**

If you contract COVID-19 while travelling to a destination that has no COVID-19 related travel advisory to avoid non-essential or avoid all travel in place on the effective date of your coverage, you are eligible for Trip Interruption benefits.

### **What is not covered**

COVID-19 (and the related travel advisories) is now considered a known event. Therefore, Trip Interruption benefits are not payable if the Government of Canada reinstates a travel advisory related to COVID-19 for your destination, or type of travel (i.e. cruises), advising against non-essential or all travel and you wish to interrupt your trip as a result. This applies even if you are travelling for essential reasons and even if a COVID-19 travel advisory was reinstated after the effective date of your coverage.

Benefits payable under any other insurance plan under which **you** may have coverage will be coordinated in accordance with the current guidelines issued by the Canadian Life & Health Insurance Association. When **GHIP** and other insurance payments have been made, this releases **GHIP** and the other insurers from any further liability in respect of that eligible claim.
2. All amounts stated in the **certificate** are in Canadian currency unless otherwise indicated. This insurance does not reimburse interest charges. If **you** have paid a covered expense, **you** will be reimbursed in Canadian currency at the prevailing rate of exchange on the date the service was provided.

The **insurer** has full rights of subrogation. The **insured person** will execute and deliver such documents, and fully cooperate with the insurer, so

as to allow the **insurer** to fully assert the right to subrogation. The **insured person** will not do anything after the loss to prejudice such rights.

7. Notwithstanding anything to the contrary, no provision of this **certificate** shall be deemed to have been waived, either in whole or in part, unless the waiver is clearly stated in writing and signed by the **insurer**.
8. The benefits, terms and conditions of this **certificate** shall be governed by the insurance laws of the province or territory in Canada where the **insured person** normally resides.
9. Any provision of this **certificate**, which is in conflict with any federal, provincial or territorial law of the **insured person's** place of residence, is hereby amended to conform to the minimum requirements of that law.

11. From time to time the **insurer** and the **policyholder** may agree to make changes to the benefits or premiums through an amendment to the **certificate**. The amendment is not valid unless both the **insurer** and the **policyholder** approve it. **You** will be given prior written notice of any changes in the **certificate**. The **insurer** will send this notification to **you** at **your** address as it appears on the **insurer** records.

12. Statutory Conditions: Despite any other provision contained in the contract, this contract is subject to the statutory conditions in *The Insurance Act* respecting contracts of accident insurance.
