

The purpose of this fact sheet is to inform you of your rights.
It does not relieve the insurer or the distributor of their obligations to you.

LET'S TALK INSURANCE!

Name of distributor: BMO Life Assurance Company o/a BMO Insurance

Name of insurer: Allianz Global Risks US Insurance Company (Canadian Branch)

Name of insurance product: Annual Medical Plan

IT'S YOUR CHOICE

You are never required to purchase insurance:

- that is offered by your distributor;
- from a person who is assigned to you; or
- to obtain a better interest rate or any other benefit.

Even if you are required to be insured, **you do not have to** purchase the insurance that is being offered. **You can choose** your insurance product and your insurer.

HOW TO CHOOSE

To choose the insurance product that's right for you, we recommend that you read the summary that describes the insurance product and that must be provided to you.

DISTRIBUTOR REMUNERATION

A portion of the amount you pay for the insurance will be paid to the distributor as remuneration.

The distributor **must** tell you when the remuneration exceeds 30% of that amount.

RIGHT TO CANCEL

The Act allows you to rescind an insurance contract, **at no cost**, within 10 days after the purchase of your insurance. However, the insurer may grant you a longer period of time. After that time, fees may apply if you cancel the insurance. **Ask** your distributor about the period of time granted to cancel it **at no cost**.

If the cost of the insurance is added to the financing amount and you cancel the insurance, your monthly financing payments might not change. Instead, the refund could be used **to shorten the financing period**. **Ask your distributor for details**.

prescribed and if the notice or proof is given or furnished as soon as reasonably possible, and in no event later than 1 year from the date of the event for which benefits are being claimed. Failure to provide the requested documentation to substantiate **your** claim under this **policy** will invalidate **your** claim.

12 GENERAL PROVISIONS

- 1 The Out-of-Province/Country Emergency Medical Insurance provided in this **policy** is supplemental in that it pays for covered expenses in excess of **your GHIP** and any other insurance plan. Benefits payable under any other insurance plan under which **you** may have coverage will be coordinated in accordance with the current guidelines issued by the Canadian Life & Health Insurance Association. Payment under the insurance and any other plan shall not exceed 100% of the eligible charges incurred. This insurance also allows the **insurer**/the **Operations Centre** to receive in **your** name, and endorse and negotiate on **your** behalf, these eligible payments. When **GHIP** and other insurance payments have been made, this releases **GHIP** and the other insurers from any further liability in respect of that eligible claim.
- 2 All amounts stated in the **policy** are in Canadian currency unless otherwise indicated. This insurance does not reimburse interest charges. If **you** have paid a covered expense, **you** will be reimbursed in Canadian currency at the prevailing rate of exchange on the date the service was provided.
- 3 Payment of Benefits: Benefits payable under this **policy** will be paid within 60 days of receipt of satisfactory proof of loss. Payment made in good faith will discharge the **insurer** to the extent of this claim.

- 5 In the event of a payment under this **policy**, the **insurer** has the right to proceed in the name of any **insured person** against third parties who may be responsible for giving rise to a claim under this insurance. The **insurer** has full rights of subrogation. The **insured person** will execute and deliver such documents, and fully cooperate with the **insurer**, so as to allow the **insurer** to fully assert the right to subrogation. The **insured person** will not do anything after the loss to prejudice such rights.
- 6 Legal Action: Every action or proceeding against an **insurer** for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act* (for actions or proceedings governed by the laws of Alberta and British Columbia), *The Insurance Act* (for actions or proceedings governed by the laws of Manitoba), the *Limitations Act, 2002* (for actions or proceedings governed by the laws of Ontario), *The Limitations Act* (for actions or

proceedings governed by the laws of Saskatchewan) or other applicable legislation. For those actions or proceedings governed by the laws of Quebec, the prescriptive period is set out in the *Quebec Civil Code*. - 7 Notwithstanding anything to the contrary, no provision of this **policy** shall be deemed to have been waived, either in whole or in part, unless the waiver is clearly stated in writing and signed by the **insurer**.
- 8 The benefits, terms and conditions of this **policy** shall be governed by the insurance laws of the province or territory in Canada where the **insured person** normally resides.
- 9 Any provision of this **policy**, which is in conflict with any federal, provincial or territorial law of the **insured person's** place of residence, is hereby amended to conform to the minimum requirements of that law.
- 10 The **policy** does not provide any cover for any business or activity to the extent that such cover would violate any applicable national economic or trade **sanction** law or regulations.
- 11 From time to time the **insurer** may change the benefits or premiums through an amendment to this **policy**. **You** will be given prior written notice of any changes. The **insurer** will send this notification to **you** at **your** address as it appears on the **insurers** records.
- 12 Statutory Conditions: Despite any other provision contained in the contract, this contract is subject to the statutory conditions in *The Insurance Act* respecting contracts of accident insurance. For Québec residents, notwithstanding any other provision, this contract is subject to the mandatory provisions of the *Civil Code of Québec* respecting contracts of accident insurance.
